We glimpse oft and wonder, since God is the light;
The slivery river that flows by life's tree.
In fruitage forever, in visions we see.
The white-robed immortals that throng the highway
Pass oft our own portals, seem not far away:

These visions remind us we're nearing the strand.

And soon far behind us we'll stretch sorrow's land.

The way oftlimes cheerless, not much bright sunshine.

But faw leagues were tearless along the whole line;

The twilight is cheering our old hearts grow light.

Forecolls us we're nearing the day without night.

Awatt Official Canvass.

Girl Suing College Dean Defended
Against Flieting Charge.
Chicago, Ill., April 5.—Attorney Everett Jennings, counsel for Miss Esther Mercy in her \$190,000 slander suit against Miss Marian Talbot, dean of women at the University of Chicago, to-day delivered the closing address to the jury in Judge Pomeroy's court.
Attorney Jennings referred to the attacks made by Attorney Walker on Miss Mercy.
"Mr. Walker has vilified this girl by charging her with ogling and filtring with you gentlemen of the jury," said Attorney Jennings. "You know that the charge is untrue. I know this girl did not, and could not even if she tried, influence you gentlemen in this case.

did not, and could not even if she tried, influence you gentlemen in this case. All we want is justice.

"Miss Mercy was dismissed from the University of Chicago to prevent an investigation of the disappearance of the aigratics from the young woman's hat. She was wronged by this powerful institution and is entitled to dam
orges."

NEW TORPEDO FIRING RECORD

Good Work Done by Destroyers Trappe and Monaghan.

Pensacola, Fla., April 5.—A new world's record in night torpedo firing was made last night in this harbor by the United States destroyers Trappe and Monaghan. Every torpedo sent from the tubes of these vessels struck the buil's-eye of the target.

The entire group of five vessels made an average of 70 per cent. of hits, which is above the average for even daylight firing under favorable weather

daylight firing under favorable weather conditions. Last night's conditions were not good.

The first of torpede boats, composed of four groups, has been here for a week, engaged in firing with both torpedees and guns.
